

**SCRIP 2009-2010  
Order Pick-Up Authorization**

Please keep in mind that Scrip certificates/cards are like cash and cannot be replaced if lost or stolen! Once they are out of the Band Boosters control, the Boosters cannot accept financial responsibility for the certificates/cards.

We recommend that you record the certificate/card numbers prior to using them; especially if you're sending them in as payment (e.g. Allied Waste Scrip).

Please print the names of all people authorized to pick up your Scrip order (including your own, if applicable). **Your Scrip order will not be released to anyone whose name is not listed below.**
